Milestones

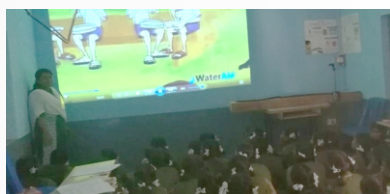

Spend a while, spread a smile!

While Khushii continued to undertake its core operations in **REMEDIAL EDUCATION** this quarter through its own tributary schools as well as government schools under **SHIKSHAANTRA+**, it scaled some new heights in collaboration with its valued stakeholders in driving its 3 key levers for reforming education in the country.

Educators

National Orientation and Planning Meet for all Project coordinators and Teaching staff was conducted in Delhi between 9th to 12th October, 2017 to orient staff on various programmatic components with sessions on project management, assessment and performance monitoring, counseling, reporting and documentation, relationship building with the concerned government departments etc. to build the perspective with respect to their state projects

EdTech

With a focus on enhancing visual learning, audio-visual methods were introduced in classes. Along with United way of Delhi, a movie was shot to capture the benefits of Khushii's interventions

Enablers

Khushii efficaciously works to provide an enabling ecosystem across all elements essential for overall growth and development. With support of Cognizant, we conducted an eye camp, Drug addiction awareness program and back pain and deep vein thrombosis pain awareness for teachers.

STAKEHOLDER SPEAK

Khushii will always have my support and I am sure that it will continue to flourish and benefit society for all the years to come. It does not only address one aspect of society, but addresses it holistically, from education to hygiene and from gender to community support. Each and every one of its initiatives is well tailored to address its goal, and the team comprises of people who truly relate to the cause and are immensely dedicated.

- Ananya Birla, Youth Brand Ambassador, India on Canvas 2017

"My over decade long association with Khushii has been extremely gratifying. The cause of educating the lesser privileged girl child is close to my heart. Khushii, keep up the good work!"

- Jayant Davar, Founder, Co-Chairman & MD of Sandhar Technologies Limited
